MEDICINAL,

There is a story of a man who was so husy looking at the stars that, as he walked, he stumbled into a well. That's the story of a typi-cal man, too busy

looking at things away off, to notice more important things near by. One-sixth of all deaths are from conamption. But the man goes along with its eyes bulging to watch cholera and ellow fever. He disdains to cure the old or check the little cough, and con-

cold or check the little cough, and con-samption trips him up.

Don't neglect little aliments. Keep the system up to the point of effectual resistance against disease. This is best done by the use of Dr. Pierce's Golden Medical Discovery. It strengthens the stomach, increases the action of the blood-making glands, cures all disorders of the organs of digestion and nutrition, except cancer of the stomach, purifies the lood, increases the vital energy and so nables the body to resist and throw off Even when there is emaciation, disease. Even when there is emaciation, weakness, hectic, cough, bleeding at the lungs and other alarming symptoms, Golden Medical Discovery' can be counted on to help every time and to heal 98 times out of every hundred.

Sick people can consult Dr. R. V. Pierce, Buffalo, N. Y., by letter, without fee or charge. Every letter is read in private,

Last spring I was taken with severe pains in my chest, and was so weak I could hardly walk about the house," says Mrs. G. B. Kerr, of Fort Dodge. Webster Co., Iowa. "I tried several physicians and they told me I had consumption, theard of Dr. Pierce's Golden Medical Discovery and I thought I would try some of it. Before that taken the first bottle I was very much better. I took five bottles of it and have not yet had any return of the trouble."

Yesterday morning she failed to appear for breakfast, and at 11 o'clock was found apparently dead from asphyxiation.
